

## Mendota Elementary School District #289 and Mendota High School District #280

### Bullying and Cyber-Bullying Online Educational Presentations

Parents are invited to view educational presentations on **bullying** and **cyber-bullying** online through the Global Communications Network. The Mendota School and GCN have partnered to provide these educational presentations for parents, students, teachers, and community members. The educational presentations review school expectations and responsibilities in regards to bullying and describe parental and school collaborative efforts that can be implemented to reduce and eliminate bullying in our schools. Each of the presentations is twenty minutes long and can be viewed by accessing the following link:
